This 26-week introductory offer is only valid for new Nassau, Suffolk and Queens subscribers who have not received Newsday home delivery in the past 60 days. You will be billed or your credit card will be charged in advance of each 8-week billing period. Any payment received will be first applied to any inactive account you have with a balance owing. At the end of the introductory period, delivery and billing will continue unless you contact Newsday to cancel delivery by calling 1-800-NEWSDAY. If you do not notify us to cancel, delivery and billing will continue at Newsday's then-current home delivery renewal rate. Savings calculation based on the cover price. All subscriptions include Premium Day editions, which will be charged at a rate of up to \$5.49, in addition to the cost of that day's delivery. All new Newsday print subscriptions are subject to a \$5.00 activation fee. The activation fee will be added to your first bill or your credit card will be charged at the time of your first subscription payment. The activation fee will also apply to existing subscriptions that are stopped for non-payment and then restarted once payment is received. Newsday reserves the right to change and/or waive the activation fee at any time. Please see newsday.com/hdterms for more information. Please respond today.
